Pre conference email to parents:

Dear families,

Conferences are coming up soon! In preparation for your child's conference, we are asking that you answer a few questions:

How would you describe your child's experience in first grade so far?
What are your Hopes and Dreams for your child (what you hope your child accomplishes this year)?
Are there any burning questions that we should address?

Please email your responses to your child's teacher before your conference (preferably at least the day before the conference). Thank you! We look forward to working with you this year!
